SPECIAL NEEDS DONATION POLICY

Ahousaht members with Special Needs due to physical or mental disabilities will be funded as per the following Policy:

A written request must be submitted to the General Manager of MHSS.

The request must include the name of the individual and the activity or event(s) they are participating in and what the funds will be used for. A contact name with contact information must be included. Also provide the name/organization that the cheque should be made to.

Family members are encouraged to participate in supporting individuals with special needs to engage in healthy activities. MHSS will match funds donated or raised by family members up to a maximum of \$500 annually.

Upon receipt of the written request, proof of registration as an Ahousaht (659) member, and proof of registration in the event or activity for the individual attending, and details regarding funds donated or raised by the family, a cheque will be issued.

Please forward the request and letter confirming registration and family donations/fund raising to:
